

Main job: We offer support and guidance with your education and to maximise your chance of success!

Other jobs:

- We make sure your Personal Education Plan (PEP) meetings happen at least every term and that there's a really good plan in place.
- We give advice, support and training to your designated teachers, social workers and carers to make sure you're supported with your education.
- We provide access to specialist services and can offer extra help if you need it. This might be things like extra tuition in maths and support managing your emotional wellbeing.
- We provide opportunities for you to explore the things you might want to do in the future. This might be a dog grooming course, work experience at a law firm or university visits
